## PROJECT INFORMATION FORM FOR PRELIMINARY REVIEW

(To be completed by the Applicant or Representative)

NOTE: Please answer all questions as accurately and completely as possible to avoid possible delays in processing. Attach additional sheets as necessary.

I.	TYPE OF PROJECT       Please check the Permit(s) that have been requested:         □ Director Review       □ Use Permit       □ Lot Line Adjustment       □ Land Division (4 or fewer)         □ Subdivision       □ Specific Plan       □ Zone Variance       □ Zoning Amendment         □ General Plan Amendment       □ Other       □
1.	Applicant's Name:
2.	Project Title:
3.	Lot Size (sq.ft./ac.):Assessor Parcel #:
4.	Project Location:
5.	Has your project been described in detail in the project application? Yes $\square$ No $\square$
6.	Please Specify:  Number of Units: Building Height/# of floors:  Number of Buildings: Density (units per acre):  Total lot coverage/impervious surface (sq. ft. & %):
	a. Buildings (first floor lot coverage /sq. ft. & %): b. Paved parking & access (sq. ft. & %):
	Landscaping/screening and fencing:  a. Landscaping (sq. ft. & %):  b. Undisturbed (sq. ft. & %):
	Total parking spaces provided:  a. Uncovered:  b. Covered:  c. Guest/Handicapped:
	SITE PLAN all existing and proposed improvements shown on the Plot Plan (See attached Plot Plan Requirements)?  No □
(Use	<b>ENVIRONMENTAL SETTING</b> one copy of the Tentative Map or Plot Plan as needed to show any necessary information. Attach ographs of the site, if possible.)
1.	VICINITY MAP: Attach a copy of assessor's parcel pages or a vicinity map showing the subject property in relation to nearby streets and lots or other significant features.
2.	EXISTING DEVELOPMENT:  Vacant

3.	. ACCESS/CIRCULATION: Name of Street Frontage(s).	
	Paved Dirt No existing access	<del></del>
	Are there any private roads/drives or road easements or	n/through the property? Yes 🔲 No 🚨
	Has an encroachment permit been applied for from Pub.	
	Does the property have any existing driveways or access	points? Yes 🔲 No 🖵
	Are any new access points proposed? Yes \(\sigma\) No \(\sigma\)	
	Does the Plot Plan show the driveways or access points?  Describe the number and type of vehicles associated with	
	Describe the number and type of vehicles associated with	if the project.
4.	. ADJACENT LAND USES:	
	A. Describe the existing land use(s) on adjacent propert	
	natural features (i.e. highways, stream channels, number	er and type of structures, etc.).
	LAND USE	LAND USE
	<u> </u>	<u> </u>
	North: Sout	h:
	East: West	:
		·
	B. Will the proposed project result in substantial chang	
	in the general area? Yes \(\sigma\) No \(\sigma\) If YES, how does	the project propose to lessen potential
	adverse impacts to surrounding uses?	
	<del></del>	
_		
5.		-: t-l- t (; - 1 151t- )
	Is the site on filled land? Yes $\square$ No $\square$ Describe the	site's topography (i.e. landforms, slopes, etc.).
_	DDAWA OF G	
6.	<ul> <li>DRAINAGES:</li> <li>A. Describe existing drainage ways or wetlands on or new</li> </ul>	ear the project site (i.e. rivers, areals and
	drainage ditches 12" or deeper and/or within 30' of	
	and an analysis of the same of

7.		he site it comes (man maior areas of
	A. Describe the site's vegetation and the percentage of t vegetation on the Plot Plan):	
	regetation on the Fiet Fath,	
	D. Harry magnes traces will mead to be removed?	
	<ul><li>B. How many trees will need to be removed?</li><li>C. Are there any unique, rare or endangered plant spec</li></ul>	ies on site? Ves D. No. D.
	D. Has the site been used for the production of agricult	
	the past or at the present time? Yes $\square$ No $\square$	- F - 1
	E. Is landscaping/planting of new vegetation proposed?	Yes 🔲 No 🔲
0	WILDLIEF.	
8.	<ul><li>WILDLIFE:</li><li>A. Will the project impact existing fish and wildlife? Yes</li></ul>	s 🗆 No 🗇
	the project impact existing non and whalie; Te	S = 1.5 =

how much?	D	
A. Are there any cemeteries, structures, or other items of historical or archaeological interest or property? Yes  \ No  \ Specify: \ SITE GRADING:  A. Will more than 10,000 square feet of site area be cleared and/or graded? Yes  \ No  \ I how much?  B. Will the project require any cuts of greater than 4' or fills of greater than 3? Yes  \ No  \ I f YES, how much?  C. Will the project require more than 200 cubic yards of cut or fill? Yes  \ No  \ I f YES, how much?  If YES to A, B or C, contact the Public Works Department for a grading permit.  D. Will site grading occur on slopes of 10% or more? Yes  \ No  \ D.  E. Note any measures to be taken to reduce dust, prevent soil erosion, or the discharge of earth material off-site or into surface waters.  AIR QUALITY:  A. Will the project have any wood burning devices? Yes  \ No  \ If YES, how many?  B. Which fuel sources will the proposed project use? Wood  \ Electric \ Propane/Gas \ D.  C. Will the proposal cause dust, ash, smoke, fumes or odors in the vicinity? Yes  \ No  \ D.  VISUAL/AESTHETICS:  A. How does the proposed project blend with the existing surrounding land uses?  B. How does the proposed project affect views from existing residential/commercial developmen public lands or roads?  C. If any outdoor lighting is proposed with the project, describe the number, type and location.  NATURAL HAZARDS:  A. Is the site known to be subject to geologic hazards such as earthquakes, landslides, mudslide ground failure, flooding, avalanche or similar hazards? Yes \ No  \ Circle applicable hazards.  B. Will any hazardous waste materials such as toxic substances, flammables or explosives be us generated? Yes \ No  \ Colored the project require the disposal or release of any hazardous substances? Yes \ No  \ Colored the project require the disposal or release of any hazardous substances? Yes \ No  \ Colored the project require the disposal or release of any hazardous substances? Yes \ No  \ Colored the project require the disposal or release of any hazardous substances	D.	Are there any unique, rare or endangered animal species on-site? Yes $\Box$ No $\Box$
A. Are there any cemeteries, structures, or other items of historical or archaeological interest or property? Yes  \ No  \ Specify: \ STE GRADING:  A. Will more than 10,000 square feet of site area be cleared and/or graded? Yes  \ No  \ I now much?  B. Will the project require any cuts of greater than 4' or fills of greater than 3? Yes  \ No  \ If YES, how much?  C. Will the project require more than 200 cubic yards of cut or fill? Yes  \ No  \ If YES, how much?  If YES to A, B or C, contact the Public Works Department for a grading permit.  D. Will site grading occur on slopes of 10% or more? Yes  \ No  \ \ Do  \  E. Note any measures to be taken to reduce dust, prevent soil erosion, or the discharge of earth material off-site or into surface waters.  AIR QUALITY:  A. Will the project have any wood burning devices? Yes  \ No  \ If YES, how many?  B. Which fuel sources will the proposed project use? Wood  \ Electric \ Propane/Gas \ DO  \  C. Will the proposal cause dust, ash, smoke, fumes or odors in the vicinity? Yes  \ NO  \ \  WISUAL/AESTHETICS:  A. How does the proposed project blend with the existing surrounding land uses?  B. How does the proposed project affect views from existing residential/commercial developmen public lands or roads?  C. If any outdoor lighting is proposed with the project, describe the number, type and location.  NATURAL HAZARDS:  A. Is the site known to be subject to geologic hazards such as earthquakes, landslides, mudslider ground failure, flooding, avalanche or similar hazards? Yes  \ No  \ Circle applicable hazards.  Will any hazardous waste materials such as toxic substances, flammables or explosives be usenerated? Yes \ No  \ \ C.  D. Will the project require the disposal or release of any hazardous substances? Yes \ No  \ \ C.  D. Will the project generate significant amounts of solid waste or litter? Yes \ No  \ \ \ C.  E. Will there the a substantial change in existing noise or vibration levels? Yes \ No  \ \ \ \ \ \ \ O \ \ \ \ \ \ \ \ \ \ \	CU	LTURAL RESOURCES:
property? Yes  No  Specify:  SITE GRADING:  A. Will more than 10,000 square feet of site area be cleared and/or graded? Yes  No  In own much?  B. Will the project require any cuts of greater than 4' or fills of greater than 3? Yes  No  If YES, how much?  If YES to A, B or C, contact the Public Works Department for a grading permit.  D. Will site grading occur on slopes of 10% or more? Yes  No  Search was a grading occur on slopes of 10% or more? Yes  No  Search was a grading occur on slopes of 10% or more? Yes  No  Search was a grading occur on surface waters.  AIR QUALITY:  A. Will the project have any wood burning devices? Yes  No  Fyes, how many?  B. Which fuel sources will the proposed project use? Wood  Electric  Propane/Gas  Search will the proposal cause dust, ash, smoke, fumes or odors in the vicinity? Yes  No  WISUAL/AESTHETICS:  A. How does the proposed project blend with the existing surrounding land uses?  B. How does the proposed project affect views from existing residential/commercial development outlic lands or roads?  C. If any outdoor lighting is proposed with the project, describe the number, type and location.  NATURAL HAZARDS:  A. Is the site known to be subject to geologic hazards such as earthquakes, landslides, mudslider ground failure, flooding, avalanche or similar hazards? Yes  No  Circle applicable hazards. Will any hazardous waste materials such as toxic substances, Bammables or explosives be usenerated? Yes  No  Course of the project require the disposal or release of any hazardous substances? Yes  No  Course of the project generates significant amounts of solid waste or litter? Yes  No  No  Course of the project generated significant amounts of solid waste or litter? Yes  No  No  Course of the project generated significant amounts of solid waste or litter? Yes  No  No  Course of the project generated significant amounts of solid waste or litter? Yes  No  Course of the project generated years of the project generated? Yes  No  Course of the project generated? Yes  No  Course of the		
SITE GRADING:  A. Will more than 10,000 square feet of site area be cleared and/or graded? Yes
